

BOARD OF DIRECTORS MEMBERSHIP DUES

THE PETROLEUM ALLIANCE
OF OKLAHOMA

Oklahoma is not Oklahoma without us. And the Alliance is not the Alliance without our board members. We rely on the financial support of the board to advocate for the interests of our members and be the unapologetic leader of energy.

EXPLORATION & PRODUCTION COMPANIES:

For E&P companies, formulas are based on production. Board members interested in joining the executive committee will be required to provide additional sponsorship support. Sponsorship packages are tailored to meet the member's desired level of involvement.
