

# INDUSTRIAL EYES

Safety Eyewear Program

## Introducing The Petroleum Alliance of Oklahoma Safety Eyewear Program

IndustrialEyes' is happy to announce The Petroleum Alliance of Oklahoma effective immediately has selected us as your safety eyewear vendor.

IndustrialEyes' offers a full line of ANSI Z87 safety frames and lenses made to order with your prescription. At LensCrafters, Target Optical and Participating Pearle Vision Store will process the glasses in 5 to 10 days unless the store has a lab on-site (Special Orders are excluded from this timeframe).

The Petroleum Alliance of Oklahoma has predetermined what items may be purchased through the program (see Benefits Summary at the right).

To utilize your safety eyewear benefits, you must present a signed Safety Eyewear Authorization form along with a current prescription of course, a valid prescription from your personal eye doctor will be accepted. Or you can use the doctor's located in or next to the following locations for LensCrafters, Target Optical or Participating Pearle Vision Store's.

Employees can obtain a signed authorization form from their employer to obtain the discount at point of sale.

This form will be accepted at any Lenscrafters, Target Optical and Participating Pearle Vision Stores. So choose the store that is most convenient for you. For a complete list of store locations, please see your employer.
