

PETROLEUM ALLIANCE FUNDRAISING AUCTION

**NOV. 18
JONES ASSEMBLY
OKLAHOMA CITY**

2021 PETROLEUM ALLIANCE FUNDRAISING AUCTION

Supporters of Oklahoma's oil and natural gas industry have joined forces once again to donate a variety of oilfield equipment and services, vacation packages, sporting events packages and much more to be sold at the Nov. 18 Petroleum Alliance Fundraising Auction.

The auction is The Alliance's largest single fundraising event and will be held during the organization's Fall Conference in Oklahoma City.

Participating in the auction aids The Alliance's advocacy efforts on behalf of the state's oil and natural gas industry. The continued success of the Fundraising Auction provides the resources necessary to better represent Oklahoma's defining industry in legislative, regulatory and legal arenas.

THANK YOU

The Alliance would like to thank our donor companies for their generosity and support of our organization and this event.

The auction is the result of the work done by the organization's Oilfield Services Committee. Without their input and participation, this would not be the successful event it has become.

A special thanks also goes to EnergyNet for their continued support as the auction partner.

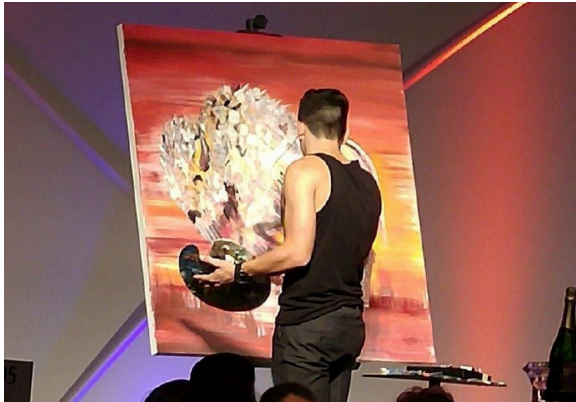

2021 AUCTION PARTNER

AUCTION DONORS

50% off MeshRite + PumpGuard
downhole production solids control
installation.

Expires: Dec. 31, 2022

MeshRite + PumpGuard: Field-proven upgrade to conventional desanders when using ESPs, Rod lift and Gas lift. Improves downhole solids separation to prolong run life of pump and surface equipment, reduce the number and frequency of workovers, and decrease production deferment, improving cash flow. Think of the solution as getting the benefits of a conventional gravel pack, in your unconventional well.

MeshRite: Stainless-steel wool screens with patented 3D filter, allowing 500+ Darcy permeability with 40% area open to flow. The mesh is designed to be insensitive to the particle size and can filter a wide range from 30 microns and above.
