ALLIANCE AUCTION SUPPORTS INDUSTRY ADVOCACY EFFORTS

The final event of the Alliance Fall Conference highlights the philanthropic efforts of the oil and natural gas industry. Open to all Fall Conference attendees, the

Petroleum Alliance Fundraising Auction carries on a tradition that began two decades ago under the banner of the Oklahoma Independent Petroleum Association. The Auction has historically played a key role in supporting the industry's advocacy efforts and allows businesses and individuals to highlight

their company or purchase goods and services while supporting the Alliance mission.

Proceeds from the auction aid The Alliance's advocacy efforts on behalf of the state's oil and natural gas industry. The continued success of the auction provides the resources necessary to better represent Oklahoma's defining industry in legislative, regulatory, and legal arenas.

The evening event will also recognize the contributions Alliance members have made to our 2025 charity of the year, Special Care.

For questions about becoming an auction bidder or donating to the auction, contact Natalie Kinmonth at 405-206-9144 or natalie@okpetro.com
